3. NEW BUSINESS

a. Second Reading – LOT 1AC Commercial Street

Council expressed their concerns on the development with regards to the traffic calming measures on the narrow entrance. They felt that those measures needed to be stated in the development agreement. Staff will work with the developer to address these concerns and make the necessary changes to the development agreement. It was noted that for any significant changes made to the development agreement, another public hearing may be required. Staff would seek a legal opinion. CAO Boyd suggested a special Council meeting for a review of the updates and second reading of the development agreement.
