## **What made you want to run in this special municipal election?**

CAO, Mayor and Council refuse to answer the questions that Berwick residents and I have. I question the ethics of certain individuals and feel that investigations need to be completed. Council can ask for these investigations.

## **What would you say is the job/purpose of a Town Councillor**

To investigate all matters brought forward and ethically do what is in the best interest of the Town of Berwick. Advocate for the residents, treat all equally, and do so promptly.

## **What issues or initiatives would you like to focus on during the remaining term of Council?**

### TRANSPARENCY

Complete investigations where required. Remodel Employees' Titles, job descriptions, salaries and benefits. Assure equal treatment of all employees. Allowing access to information, in which taxpayers money was used, to residents. More detailed information to be placed on website, involving use of taxpayers money.

## **Why should constituents vote for you?**

The Town of Berwick, in my opinion, is failing at transparency. They have refused to answer the questions residents have. This is taxpayers' money! All questions need to be addressed by the CAO, Mayor and Council, starting with replying to all emails and answering their phones.
